A Gentle Guide to Begin

This worksheet is here to meet you where you are — to invite a little more steadiness, peace, and energy into your business.

What are 3 promises you've made to your business?

(Write them down with care.)

Which of these feel most true and alive right now?

(Circle or star them.)

What is your one focus this week?

(Write your gentle priority.)

As You Move Forward

You don’t need to force your business to grow.

You simply meet it, one kind step at a time.

This is where success truly lives.

Success is doing what you said you would do, consistently, with clarity, focus, ease, and grace.
